SMARTER. QUIETER. COOLER.

3 YEAR WARRANTY

Experience the future of air conditioning in RVs. The Dometic FJZ series of roof air conditioners have been developed to meet the highest demands – smarter, quieter, more comfortable, and more environmentally friendly than ever before. Made from recycled plastic, our most powerful range of air conditioners cool and heat with impressive efficiency and incredibly low noise.

SUPERIOR COOLING PERFORMANCE

Improved cooling capacity and faster RV cooling times.

ADAPTIVE POWER MODE

The flexibility to set the maximum current draw to optimise runtime on batteries. Simply set the power limit using the Dometic Power App (patent pending).

OPTIMISED FOR OFF-GRID USAGE

Reduced cooling current consumption by up to 15%

– First 4kW RV Rooftop Air Conditioner –

NEW FRESHJET 48 V RV AIR CONDITIONER

3 YEAR WARRANTY

Combining the high performance and small packaging of the 240V FreshJet 7 Series Lite, now engineered with a focus on off-grid usage.

Able to run directly off 48V battery packs, eliminating the need for an expensive inverter, or reducing the size of the inverter required for a caravan, the FreshJet 7 Series Lite 48V helps enable off-grid living in supreme comfort.

DIRECTLY COMPATIBLE WITH 48V BATTERY PACKS

Maximising efficiency with no need for inverters or converters.

BLUETOOTH CONNECTIVITY

Control your FreshJet 48V through the Dometic app for increased flexibility and convenience.

LIGHTWEIGHT AND COMPACT

Ideal for optimised solar and roof appliance layout.

VEHICLE MOUNTED MANUAL AWNING

1 YEAR WARRANTY

8700 Series

Enjoy your outdoor living space with the Dometic 8700 awning. The strong and effective awning will provide protection and shade from the sun. It's robust, secure and easy to set up, so that you can quickly create an extended living space.

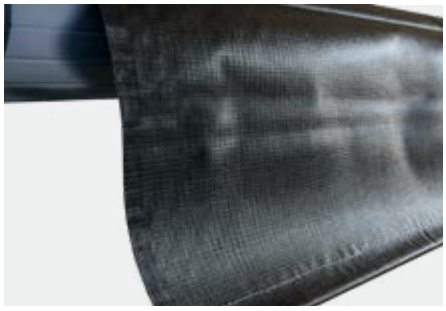

SECURE LOCKING SYSTEM

Cam lock system secures the awning for total control when extending and rolling up.

QUALITY FABRIC

Heavy duty vinyl with UV protection.

STYLISH VALANCE

Contemporary straight valance to suit all vehicles.

EASE OF USE

Ergonomically designed vinyl cushioned lift handles.

DURABLE MATERIALS

Die-cast components and solid metal shaft to ensure longevity of awning.

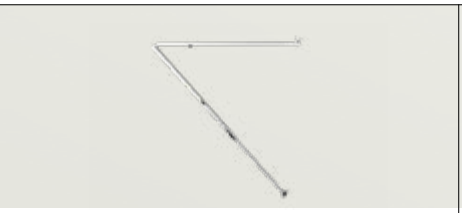

SAFETY FIRST

Patented easy lock flipper provides additional security and confidence whilst travelling.

VEHICLE MOUNTED POWER AWNING

1 YEAR WARRANTY

9700 Series

Upgrade your RV experience with the Dometic 9700 Power Awning — a motorised solution for instant shade and shelter. Built for modern caravans and motorhomes, it combines sleek aesthetics with rugged durability, IPX6 protection, and whisper-quiet operation. Compatible with existing accessories, it's the ultimate upgrade for effortless outdoor living.

MOTOR COMPATIBILITY

Motor operates reliably across 9-16V DC, making it compatible with a wide range of RV electrical systems.

CONFIDENCE

Motor delivers a powerful 7.5N.m torque @ 12V.

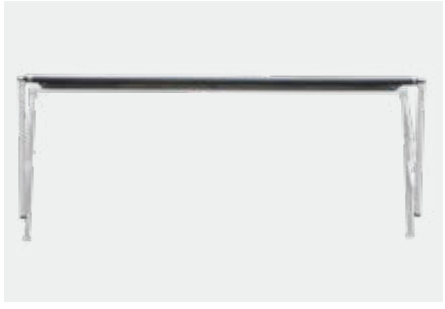

UPGRADE PATHWAY

Maintains the same footprint as the 8700 Manual Awning.

ENHANCED DURABILITY

Built to withstand harsh environments with IPX6 water resistance.

VERSATILE

16 SKUs that span 8 widths and 2 colourways.

HEAVY DUTY

Double-sided coloured fabric constructed with heavy-duty vinyl and UV protection.

9700 Awning

Power Awning

- Motorised Operation – Shade at the touch of a button
- Same Footprint as 8700 Manual Awning – Easy upgrade path
- IPX6 Protection – Built to withstand harsh conditions
- Quiet & Quick Performance – Smooth, reliable operation
- Compatible with Existing Accessories – AFK, CRR, and more
- Available in 16 SKUs – Widths from 13–20 ft, two colourways

DUST REDUCTION SYSTEM FOR CARAVANS

Through its smart design, the Dometic Dust Reduction System 2.0 (DRS2) minimises the amount of dust, harmful airborne particles and pollens that can enter your caravan and remain suspended in the air for an extended time after stopping. Building upon the extensive performance testing in Australia's dusty country, the second-generation DRS has been further fine-tuned and optimised to achieve improved waterproofness and airflow, all designed to cut down the dust so there is less cleaning when you arrive. The unit is fitted to the roof of the caravan and operates while the vehicle is in motion. Best of all there are no motors or electrical parts so there's no need for power. The easiest way to arrive at your destination with a clean caravan is preventing dust from entering.

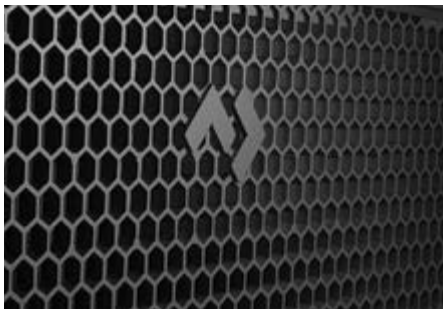

PATENTED DESIGN

Clever system that manages the airflow distribution when driving or stationary.

MODERN DESIGN

Modern rooftop unit with a low profile and lightweight design.

STYLISH AIRFLOW GRILLE

The grille allows airflow through the unit and prevents debris from entering the vehicle.

EASY TO USE

Changing the air filter is simple thanks to the ceiling cover that is easy to open and close.

VERSATILE INSTALLATION

Simple and clean design that can be installed in a range of rooftop openings from 290 x 290 to 400 x 400 mm.

REPLACEABLE AIR FILTERS

Additional air filters sold separately and can be changed in a matter of seconds.

Dometic DRS 2.0

2 YEAR WARRANTY

Dust reduction system

- Significantly reduces the amount of dust, harmful airborne particles and pollens entering the caravan
- Filters out dust particles with a PM10 filter
- Dust filters can be easily replaced from inside the caravan
- Reduces cleaning time after caravan trip
- Non-powered operation requires no opening or closing of vents
- Fits roof openings between 290 x 290 mm and 400 x 400 mm and roof thicknesses between 30 mm and 65 mm
- Low profile rooftop unit is extremely lightweight at approximately 5 kg

Dimensions W x H x D (mm): 444 x 248 x 473
Weight (kg): 5.14

DOMETIC CARAD PREMIUM RV DOORS

1 YEAR WARRANTY

The Dometic CaraD door is a modern caravan door designed with safety in mind. A key feature of the door is its highly resistant safety mesh. Tested by an independent company in Germany, the door can withstand 180 J of impact.
The mesh will let air into your caravan without having to sacrifice your security. Another safety feature is the four-point locking system and an easy to operate chrome door lever, which ensures extra protection and comfort when travelling. It also includes a stylish integrated blind that blocks light from entering the caravan and provides additional privacy.

KEEP SAFE

Four-point locking system provides extra safety and comfort while travelling.

BLOCK OUT

Integrated blind is ideal for blocking out the sun or to ensure privacy.

SECURED

Window clip keeps panel in position when closed.

Dometic CaraD Doors

Caravan doors

- Highly durable glass
- Highly resistant safety mesh
- Four-point locking system
- Easy to operate chrome door lever
- Integrated blind that blocks incoming light

Specifically designed to fit a wide range of recreational vehicles, the Dometic CaraD door range provides peace of mind with a number of world-class safety features. Available in alucobond or glass door, CaraD doors feature tried and tested, highly resistant safety mesh that is virtually indestructible.

DOMETIC SLIDE OUT KITCHENS

1 YEAR WARRANTY

Not only does the Dometic Slide Out Kitchen save valuable space, but its telescopic runners also make it quick and easy to pull-out and stow away after use. It provides all the kitchen essentials: a three burner cooktop with a sink and tap, a chopping board and dual sided access to storage. Standard accessories include a bottle opener and cup holder. The kitchen's modular aluminium construction makes it lighter, while a generous amount of built-in storage keeps dining and cooking equipment safe and secure. Easy to install on most RVs thanks to its simple three-step installation method, the Slide Out Kitchen takes cooking outdoors to new levels of convenience.

GENEROUS STORAGE CAPACITY

Dual sided access to large storage compartments.

LIGHTWEIGHT ALUMINIUM CONSTRUCTION

Easy to slide out and avoids adding unnecessary weight to the RV.

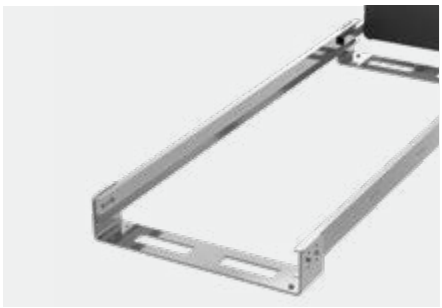

VERSATILE FUNCTIONALITY

Dedicated areas for cooking, cleaning, chopping and serving.

RANGE OF OPTIONAL ACCESSORIES AVAILABLE

A wind deflector, utensil holders as well as additional bottle openers, cup and utensil holders, chopping boards and serving trays (for SKL101), are also available.

DELIVERED READY-TO-INSTALL

Includes heavy-duty slide rails and mounting brackets.

HIGH RESISTANCE TO CORROSION

Aluminium and stainless steel construction.

Dometic SKS101

Slide out kitchen, small

- Dedicated area for cooking, cleaning, and serving
- Easy 3-step installation process
- Compatible with all popular access doors
- Lightweight aluminium construction
- Large storage compartments with dual sided access
- Range of accessories available, including wind deflector, bottle opener, cup and utensil holders and chopping board

Dimensions W x H x D (mm): 630 x 280 x 1220

Ref No. 9630006162

ACCESSORIES

Dometic SKA-UH

Utensil holder

- Keep everything in one place, easily accessible during cooking
- Utensil accessory for Dometic Slide Out Kitchen
- Made from durable PBT material which is resistant to solvents

DOMETIC CVI INDUCTION COOKTOP SERIES

Cooking in style, as fast and convenient as at home: this elegant, dual-zone induction cooktop makes it possible. Featuring an easy-clean glass surface with integrated sensor touch controls, the Dometic CVI1525 satisfies the highest demands on functionality and aesthetics. Based on Dometic's Cooking Vision, a modular design concept for RVs and boats, the induction cooktop can be nicely combined with a matching sink or other Cooking Vision products. It can also replace a 2-burner gas hob of the same size – ideal for those wishing to power their on-board devices with electricity instead of gas. Despite its impressive cooking power, the CVI1525 is electrically dimensioned to respect current amperage limitations of the RV industry and at campsites.

SENSOR TOUCH CONTROLS

Convenient regulation of the cooking heat with 9 heat settings

EASY-CLEAN GLASS SURFACE

Seamless design ensures it is easy to keep clean

CONVENIENT INSTALLATION

Supplied with a 10A plug

Dometic CVI1525

2-zone induction cooktop

- 2-zone cooktop with induction technology
- Convenient regulation of the cooking heat with 9 heat settings
- Easy-clean glass surface.
- Vibration resistance tested according to RV-specific standards
- Designed to respect 10A /2300 W limitations at campsites and in recreational vehicles
- Extra-fast heat-up with automatic over-boost cut-off

Dimensions W x H x D (mm): 525 x 55 x 350
Weight (kg): 6.05 kg

Ref No. 9620008712

Dometic CVI1350

Single-zone induction cooktop

- Single-zone cooktop with induction technology
- Convenient regulation of the cooking heat with 9 heat settings
- Easy-clean glass surface.
- Vibration resistance tested according to RV-specific standards
- Designed to respect 10A /1700 W limitations at campsites and in recreational vehicles
- Extra-fast heat-up with automatic over-boost cut-off

Dimensions W x H x D (mm): 350 x 55 x 350
Weight (kg): 4.5 kg

Ref No. 9620016731

HBG SERIES

3 YEAR WARRANTY

Integrated hobs with glass lid: cooking in close quarters

Our compact HBG hobs let you cook in the confined spaces of your mobile kitchen almost like at home. They are fitted flush with the worktop, and the knobs are ergonomically placed for convenient cooking control. When there are no pots and pans on the hob, you can close the glass lid to gain additional workspace and protect your hob at the same time.

Dometic PI8022

Two burner gas stove

- Two gas burners with combined total output of 10.5 MJ/h
- Stylish stainless steel finish
- Durable glass lid

Dimensions W x H x D (mm): 480 x 80 x 370
Weight (kg): 3.58

Ref No. 9620018525

Dometic PI8023

Three burner gas stove

- Three gas burners with combined total output of 15.6 MJ/h
- Stylish stainless steel finish
- Durable glass lid
- 12v igniter

Dimensions W x H x D (mm): 560 x 88 x 440
Weight (kg): 5.30

Ref No. 9630000234

HSG SERIES

3 YEAR WARRANTY

Hob/sink combinations with glass lids: cooking and washing up in small kitchens

If you want to save on space without compromising on quality, one of our hob/sink combinations is perfect for you. Made from stainless steel, they are easy to clean and long lasting too. HSG series hob/sink combinations feature separate heat resistant safety glass lids for the hob and sink. The practical glass cover gives you some extra workspace when folded down.

Dometic MO9722

Two burner stove with sink

- Compact two burner gas stove with improved efficiency
- Easy push button 12 V ignition and gas safety valves fitted for each burner
- 2 new burners with a high combined heat output of 10.5 MJ/h.
- Two integrated heat-resistant safety glass lids provide protection and extra workspace when closed
- Easy-to-clean detachable trivets
- Stylish stainless-steel finish
- Compatible with the Dometic DM-WT02 Tap (sold separately)

Dimensions: W x H x D (mm): 760 x 178 x 325

Ref No. 9620018527

OVENS

3 YEAR WARRANTY

Ovens with grill and hob: cooking, baking and grilling on board

Why do without familiar ways of cooking food just because you are on the move? The MC101 and MC102 ovens give you a choice of fully fledged stoves. Treat your family to a delicious home-made meal wherever you are. Enjoy the sparkling sight of your kitchen or galley, and rest assured that everything is safe.

MAXIMISE SPACE

Square corners to squeeze into tight spaces

SPILL FRIENDLY

Recessed surfaces drain away spillages

CONVENIENT

Easy to grab handles and knobs

MC101

Cooktop, Grill, Oven

- Spill friendly
- Easy to grab handles and knobs
- Spacious cooking with a generous 39 l oven and fan forced option
- Hybrid fuel flexibility with one electric hotplate and three gas burners
- New grill shelves protect hands from getting burnt
- Input voltage: 12 V & 240 V

Dimensions W x H x D (mm): 514 x 649 x 497

Ref No. 9620015794

MC102

Cooktop and grill

- Recessed surfaces drain away spillages
- Easy to grab handles and knobs
- Hybrid fuel flexibility with one electric hotplate and three gas burners
- Square corners to squeeze into tight spaces
- Input voltage: 12 V & 240 V

Low-profile Sink Tap

- Made from long-lasting chrome-plated brass
- Easy to use with the spout on the left-hand side and handle on the right-hand side
- Maximum water temperature of 75°C
- Maximum working pressure of 500 kPa
- Suitable for most motorhomes, caravans and camper trailers
- Lead-free tap

Ref No. 9630002556

DOMETIC TURBO FFD DELUXE STOVES

1 YEAR WARRANTY

The Dometic Turbo FFD Deluxe range is crafted for flexible and efficient outdoor cooking. With dependable threaded connections and Turbo burner designs, they ensure consistent heat distribution for versatile meal preparation. They combine durable construction with user-friendly features, making it an ideal choice for outdoor enthusiasts. Flame Failure Device (FFD) ensures safe cooking by automatically shutting off the gas if the flame goes out and is compatible with caravans and RVs using the RV Bayonet hose (sold separately).

FLAME FAILURE DEVICE (FFD)

Automatically shuts off the gas if the flame goes out.

POWERFUL

Turbo burner design gives a higher heat output.

VERSATILE

Switch up the cooking surfaces or stands to whatever you need to prepare.

Dometic 1 Cook Turbo FFD Deluxe

1-burner gas stove

- Fits perfectly into limited spaces, making it ideal for outdoor adventures
- The Flame Failure Device (FFD) automatically shuts off the gas if the flame goes out
- Turbo Burner delivers a focused, powerful heat output
- Achieve precise cooking results with easily adjustable flame settings for every recipe

Dimensions (W x D x H) mm: 300 x 280 x 90 (lid closed, excluding hose)
Weight (kg): 4.5
Number of burners: 1
BTU per burner: 6,160
Fuel type: ULPG (Universal LPG)
Ignition: Push Piezo
Fitting: ¼" RH thread – LCC27 Reg

Ref No. 9620018391

Dometic 2 Cook Turbo FFD Deluxe

2-burner gas stove

- Dual-burner design
- The Flame Failure Device (FFD) automatically shuts off the gas if the flame goes out
- Turbo Burner delivers a focused, powerful heat output
- Sturdy and reliable construction

RUA/RUC SERIES REFRIGERATORS

3 YEAR WARRANTY

Available in both absorption and compressor variations, the Dometic RUA and RUC refrigerators provide the reliable refrigeration performance that the RV market has come to expect from Dometic refrigerators. The T-rated cooling systems ensure excellent performance in both high and low ambient temperatures, making these refrigerators an excellent choice for all conditions. The built-in control panel is intuitive and easy to use, allowing users to select a temperature range and a variety of preset modes. Each model features double hinge opening giving you the convenience to open from either left or right at any time.

TOUCH CONTROL

TFT colour display with unique rotary touch control.

BUILT-IN DOOR STORAGE

Perfect for storing bottles and cans.

DOUBLE HINGE

Easily access the fridge from the left or right at any time.

T-RATED COOLING UNIT

Ensures great cooling performance even in harsh conditions.

PERFECTLY CONTROLLED

Full-width crisper with humidity control.

INTERIOR LED LIGHTING

Elegant LED lighting illuminates the cabin.

RU CORE SERIES REFRIGERATORS

3 YEAR WARRANTY

We understand value is important. That's why we created the Dometic RU Core Series fridge line. Designed with affordability in mind, these fridges deliver the core features you expect from Dometic without compromising on quality or performance.
Through smart engineering, we've maintained the Dometic experience you expect.

NEW INTUITIVE CONTROL PANEL

Upgraded LED display, providing clearer information about the refrigerator's functions.

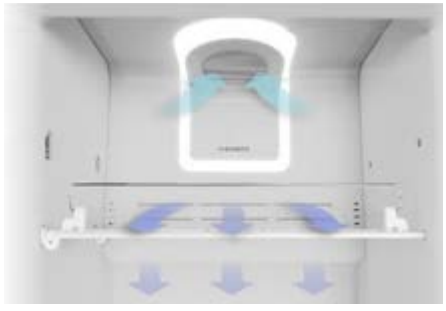

ENERGY EFFICIENCY

R600a is known for its excellent energy efficiency, which can help reduce power consumption and extend battery life in RVs.

INTERNAL VENTILATION

New internal ventilation ensures less dust ingress, bug ingress and potential for water ingress.

POWERFUL AIR CIRCULATION

Faster pull-down of goods and temperature recovery after door openings.

QUIET FAN

Turns off 4s after opening.

INTERIOR LED LIGHTING

Elegant LED lighting illuminates the cabin.

RUC CORE SERIES

Dometic RUC8404X Core

Compressor refrigerator, 216L

- 12/24v Compressor

10-SERIES REFRIGERATORS

3 YEAR WARRANTY

Designed for smarter use of space, the 10-Series refrigerators come with an advanced smart door that can adapt to different layouts allowing you to store food and drinks conveniently. The Dometic 10 series refrigerators are available in two models: absorption (3-way) and compressor (2-way). Both types offer the same cavity sizes for maximum installation compatibility. However, the compressor model offers 27 L more capacity than the absorption model. The refrigerator comes with a versatile interior and a customisable decor panel that can change to suit all your needs, perfect for your travels.

POWERFUL COOLING

Functions are easily chosen by the LED control panel (RMD10.5XES display shown)

SMART LOCKING SYSTEM

Enhanced with a smart lock system on each side of the fridge door for easy, safe, and quick hinging reversibility.

SPACIOUS INTERIOR

Versatile interior incorporates smart storage solutions (RMD10.5XES interior shown)

MAXIMUM EFFICIENCY

LED Light-bar provides uniform energy-saving illumination of the refrigerator compartment.

ENHANCED VERSATILITY

Includes adjustable humidity crispers and a lid that serves as an extra storage shelf.

ULTIMATE FLEXIBILITY

Detachable door panel allows you to match the colour of the doors with the interior of your RV or caravan.

NRX SERIES REFRIGERATORS

3 YEAR WARRANTY

Are you looking for a stylish and energy-efficient cooling solution that easily adapts to your needs? Here you are! The Dometic NRX refrigerator range can be used as a fridge, freezer or both at the same time. Their powerful high-end compressor gives you a choice of three operating modes to be set on the illuminated touch control panel neatly integrated inside the cabinet: Eco for maximum energy efficiency, Performance mode for a quick cool-down, Quiet for a peaceful night's sleep. The elegant frameless door, incorporating a dark grey front panel and a convenient full-width handle, opens to a well-equipped interior: removable freezer compartment, multiple shelves, two crispers, plus a bottle holder and door shelf/shelves.

FULL-WIDTH DOOR HANDLE

Neatly integrated for easy access from every angle.

TOUCH CONTROL PANEL

Flush-mounted inside the cabinet, with nicely integrated LED light bar.

REMOVABLE FREEZER

The freezer compartment can be easily removed to make room for more fridge storage.

TWO CRISPERS

For storing fruits and vegetables for optimal freshness.

WELL EQUIPPED INTERIOR

Freezer, shelves, bottle holder, door tray, crispers – it's all there.

Are you looking for a stylish and energy-efficient cooling solution that easily adapts to your needs? Here you are! The Dometic NRX refrigerator range can be used as a fridge, freezer or both at the same time. Their powerful high-end compressor gives you a choice of three operating modes to be set on the illuminated touch control panel neatly integrated inside the cabinet: Eco for maximum energy efficiency, Performance mode for a quick cool-down, Quiet for a peaceful night's sleep. The elegant frameless door, incorporating a dark grey front panel and a convenient full-width handle, opens to a well-equipped interior: removable freezer compartment, multiple shelves, two crispers, plus a bottle holder and door shelf/shelves.

Ref No. 9630000186

NRX-D SERIES REFRIGERATORS

NEW

3 YEAR WARRANTY

The Dometic NRX-D puts drawer-style cooling exactly where you want it — built into your vehicle and ready for the road. Aluminium-steel drawers glide on precision bearings, so access stays smooth whether you're parked up or on the move. Choose Black, Dark Grey or Stainless Steel to suit your interior. Run it on its own or pair it with an NRX upright for full-height refrigeration.

STAYS CLOSED. STAYS CONTROLLED

Self-locking rails and a secure bottom latch keep the drawer stable and closed, even during rough driving.

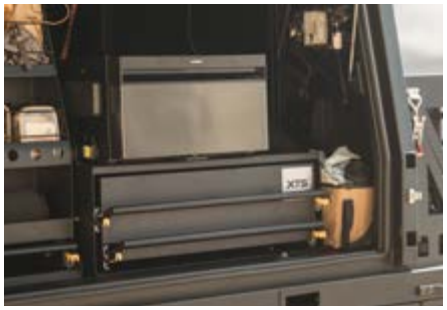

FULL ACCESS, EVEN IN TIGHT BUILDS

The pull-out drawer and full-width handle make it easy to reach your food in slim spaces.

FITS YOUR LAYOUT, NOT THE OTHER WAY AROUND

Designed for both flush and standard mounting, the NRXD integrates cleanly into compact interiors.

COOLING MADE SIMPLE

A modern, intuitive front control panel lets you adjust temperature or switch modes without overcomplicating daily use.

BUILT TO GLIDE, BUILT TO LAST

Robust metal rails with smooth bearings ensure stable movement and long-term durability in daily use.

TRUE FREEZING PERFORMANCE

Reaches temperatures down to –15°C, delivering proper freezing where many drawer fridges fall short.

Dometic NRX-D20

Compressor refrigerator, 20 l

LS SERIES

1 YEAR WARRANTY

Ventilation grilles

Ventilation grille for single and double-door models: Attached to the outside of the vehicle. Specially designed ventilation system for mounting on the outside wall of the vehicle. Built to prevent energy wasting heat accumulation behind the fridge. In addition, they allow easy access for service and maintenance without removing the fridge. The lower ventilation grille leads cold air behind the refrigerator while the upper grille allows hot air to escape. Consists of a mounting frame, exhaust stack, grille with fly screen and winter protection. LS 300 vents are designed for models with two doors, which can be used for both top and bottom.

Dometic Ventilation Grille LS300-B

Black ventilation grille

- Avoid wasting energy by removing heat which builds up around your fridge
- The lower grille allows cool air in while the upper grille allows warm air to escape
- Suitable for Dometic single/double door refrigerators

Dimensions W x H x D (mm): 518 x 278 x 42

Ref No. 9620000525

Dometic Ventilation Grille LS300

White ventilation grille

- Avoid wasting energy by removing heat which builds up around your fridge
- The lower grille allows cool air in while the upper grille allows warm air to escape
- Suitable for Dometic single/double door refrigerators

Vent Cover Dimensions W x H x D (mm): 305 x 99 x 686

Ref No. 9620008609

RV TOILETS

1 YEAR WARRANTY

CTS4110

The Dometic CTS 4110 cassette toilet is designed for recreational vehicles and lifestyles. This modern and lightweight toilet enjoys a high quality ceramic inlay that is scratch-resistant and is ultimately more pleasant to have aboard both hygienically and visually. The toilet is anatomically respectful and the seat can be variably positioned depending on the installation area. The optimised vacuum breaker increases flushing power and the removable cassette has wheels and a strong telescopic handle. A simple and accessible control panel makes for easy use.

OPTIMISED BOWL DESIGN

The ergonomic toilet bowl ensures comfort.

HIGH POWER FLUSH

Optimised flush ring and vacuum breaker for impressive flushing capacity.

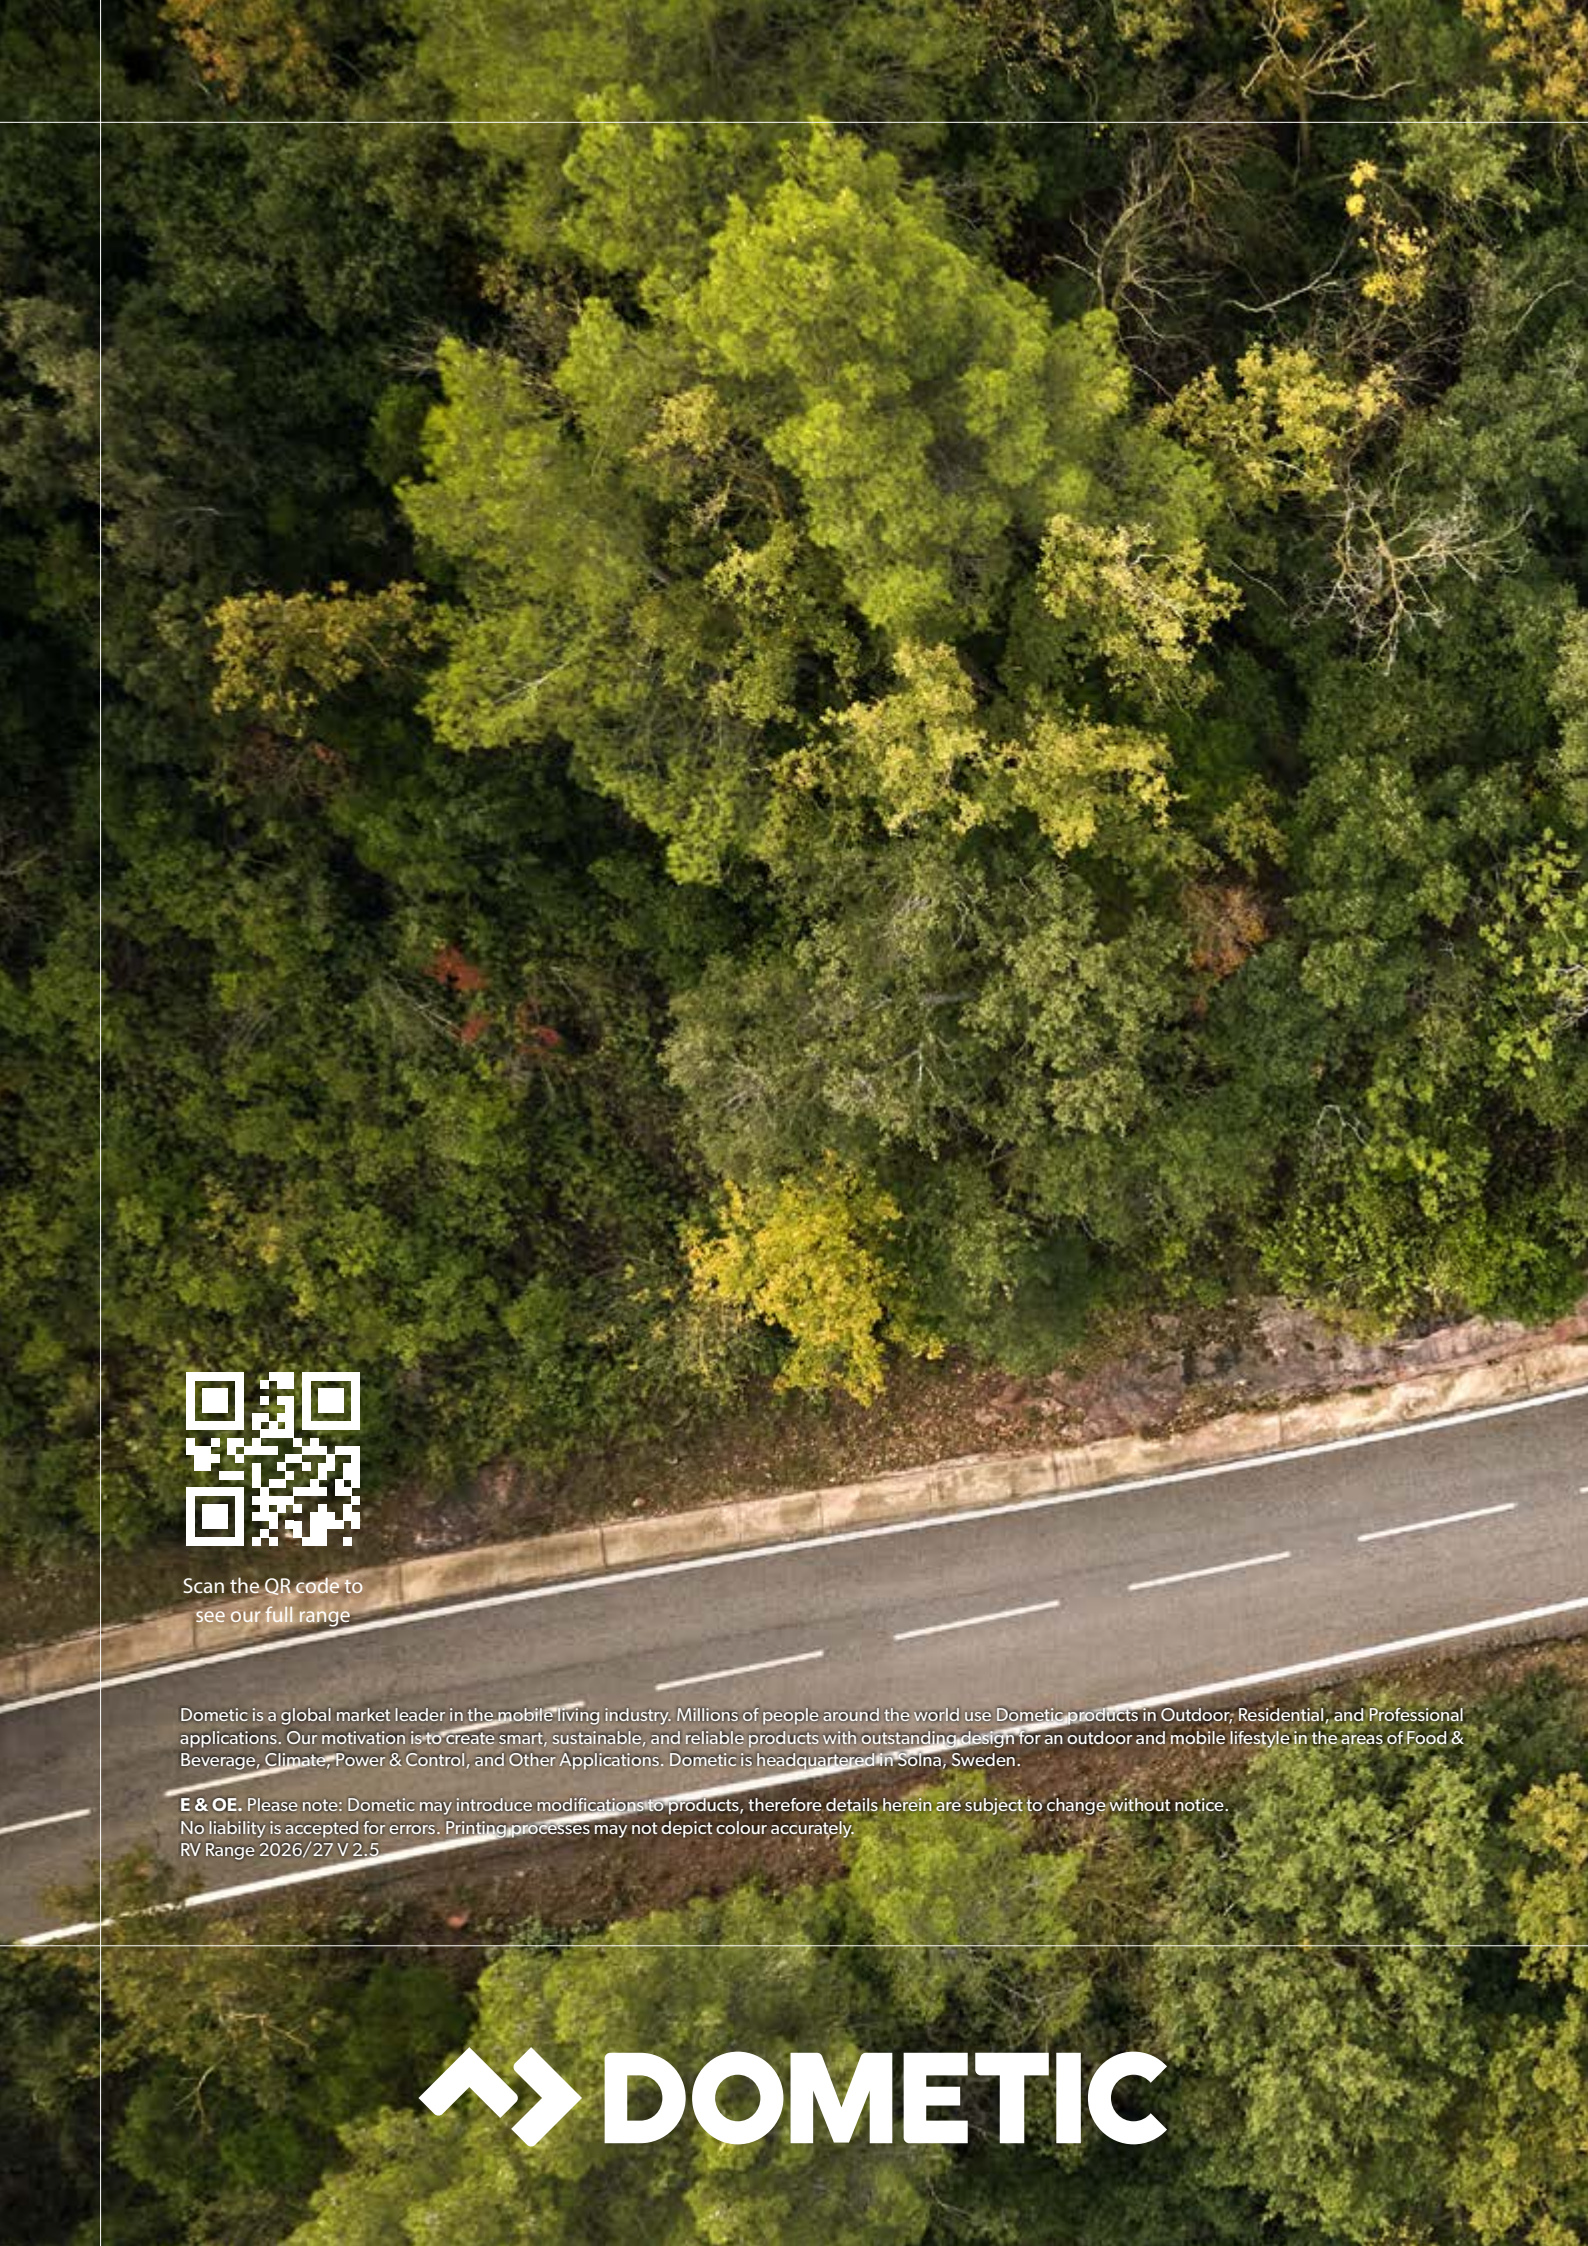

Dometic CTS 4110

Cassette toilet

- The scratch-resistant ceramic inlay is also easy to clean
- It is 30% lighter than RV ceramic toilets
- An anatomically respectful design
- Seat adjustable by up to 90° in both directions to accommodate space
- Simple and accessible control panel

Tank capacity wastewater: 19 l
Dimensions W x H x D (mm): 382 x 672 x 530
Weight (kg): 12

Ref No. 9107100618
